Insights from Abroad

- Continued efforts in Melbourne, Australia are meeting with great success. The active Zohar Group, chaired by Morrie James, continues to meet for interesting social and fundraising events. Our best wishes to Sam Goodchild on his retirement as President of the Ore Group of Friends of the Jewish Institute of the Blind.
- 'Yeladim Lemaan Yeladin', or 'Children for Children' of Barranquilla, Columbia marks 10 years since the advent of their activities teaching charitable ways to their youth. We commend this organization for their unflinching support of the Institute through charity given by the children of Barranquilla.
