- In recognition of the remarkable work of Mr. Henry Marx, of Dallas, Texas, we have recently affixed a Plaque of Honor in the Institute. Over the years Mr. Marx has brought us innumerable friends from whom he regularly receives wonderful contributions for the blind and partially sighted.
- Bar Mitzvah Michael Segal of Colombia recently donned his tefillin for the first time. In a moving letter from Barranquilla, he expressed how he has already learned the mitzvah of giving charity. Michael expressed his wishes to help the students at the Institute, and he donated \$1,000 of his gifts to "help these children in their progress and happiness".
