The Jewish Institute for the Blind expresses condolences to the family of Abbe Kurland of Copenhagen. Mr. Kurland, former treasurer of the Danish Friends Committee was remembered on the thirtieth day of his passing at a memorial service at the synagogue of the Institute. In attendance were Rabbi Michael Melchior, Chief Rabbi of Norway, and Cantor Benny Levy, formerly of the Copenhagen Great Synagogue.

Insights from Abroad

We have reports from Denmark, Finland, Norway and Sweden of successful sales of hundreds of packages of Chanukah candles used as fund-raising method. These long burning candles, distributed by the Jewish Institute for the Blind and shipped abroad are beautifully packaged and are very popular. We already have numerous orders placed for next Chanukah!
