Insights from Abroad

- Generous supporters of the Jewish Institute for the Blind from Norway have long been praying for the blind of Israel. And now our prayers and condolences are added for the late Mrs. Gerd Randi Ranestad of Kristiansand, Norway. A longtime friend and supporter of the Institute until her untimely death this summer. Mrs. Rand's late sister, Liv Marie Syvertsen was also a loyal friend of the Institute for years, and when she died she bequeathed a large part of her inheritance to the Institute. Their kind words, prayers and contributions will be sorely missed.

- A Swiss garden for the blind was dedicated in Jerusalem this spring and JIB blind students were honored guests at the dedication ceremony. The Wohl Rose Park near the Israeli Parliament is the site of the lovely garden dedicated by Ranata Cotti, wife of the President of the Confederation of Switzerland. Equipped with special climbing equipment, spices and fragrant roses, the new garden is a delightful Jerusalem spot.
